## Monohulls

The monohull is the original sailboat calling to the adventurer inside every sailor to step into the exhilaration of setting full sail across rugged coastlines. Designed and built with leading yacht builders Beneteau and Jeanneau, our sailboats effortlessly combine maneuverability with straight line speed for the ultimate sailing performance. Choose from our world-class fleet ranging from 32' to spacious 53' designs.

## Catamarans

Cruising aboard a sailing catamaran means you'll enjoy a spacious onboard lifestyle and an impeccable balance between stability, performance and maneuverability. Our charter fleet includes sailing catamarans from the world's leading innovators in build, design, and performance with both Robertson & Caine's Leopard catamarans and Lagoon Catamarans ranging in size from 40' to 50'.
