SPECIAL DIETS

We strive to offer best service possible at Dream Yacht Worldwide, and special diets add a level of complexity for our cooks to prepare great meals for up to 12 guests in well-designed & functional kitchens, but still with limited space on board. There is also the challenge to find the right products in remote destinations where we operate and substitutions often incur an additional expense. After a full review of our operations, to ensure all guests on board receive the same level of service independently of having or not food restrictions, we decided to charge this moderate extra for special diets

As usual, we do not take care of food preferences on cabin charters.

We can cater for 6 different types of diets:

1. Vegan diet
2. Vegetarian diet
3. Pescatarian diet
4. Gluten-free diet
5. Diabetic diet
6. No fish / No seafood diet

The amount of extra for special diets is 170€ per person, payable in advance
